Dear Mr. Dean Simms,

With the help of Crystal Carlos and Westhab, Inc. our agency was able to employ a number of Certified Home Health Aides. This has helped Mrs. G's Services, LLC tremendously since one of our continual challenges is finding qualified referrals with solid work ethics. Many applicants lack basic life skills, enthusiasm and customer service skills. We will continue to welcome any referrals from Westhab, Inc. for potential employment.

As an agency, we are pleased with Westhab, Inc. candidates; their dependability, motivation and great patient care attributes. Mrs. G's Services, LLC will continue to interview any qualified individuals that are referred from your agency.

We welcome the opportunity to conduct mock interviews with students/trainees in your training programs to help bridge the employer-employee gap and create and foster a soft skills training environment. We are looking forward to continuing a successful, long term relationship with Westhab, Inc.

Regards,
