Support Westhab in a Delicious Way!

The Melting Pot of White Plains to Hold “FUN-Raising” Events to Benefit Westchester Charity

White Plains, N.Y. (October 3, 2012) – Throughout the month of October, The Melting Pot of White Plains will host a bevy of dining events (FONDUE-Raisers) to benefit Westhab. It is the largest provider of housing and supportive services for homeless and low-income individuals and families in Westchester County. The general public is invited to help Westhab by participating in a dinner fundraiser on October 19, a bar event on October 26 or simply present a special Westhab voucher during the month of October in order to have 10 percent of your dining check donated to this wonderful non-profit organization.

“By dining at The Melting Pot of White Plains during the month of October, you can enjoy a delicious fondue meal while knowing that you are helping your community since a generous portion of the restaurant proceeds will be donated to Westhab,” said Kathy Longo, General Manager of The Melting Pot of White Plains. “To ensure your donation is made, we ask that you print out the special Westhab voucher found on meltingpot.com/whiteplains and present it to your server before ordering your meal.”

During this month-long dining program, participants can enjoy drink specials while feasting on tasty fondues. Guests who take part in the special bar mixer and dining event will also have an opportunity to meet the dedicated and tireless staff members of Westhab.

“We are excited to be partnering with The Melting Pot of White Plains on this charitable giving campaign,” said Westhab’s Program Developer, John Parssinen. “Here’s a FUN-Do way to help us to continue providing much needed, quality services to a growing group of Westchester’s homeless and low-income families.”
