

About the Junior Board

ABOUT WHO WE ARE

The Westhab Junior Board is an engaged and committed group of philanthropic young professionals in the greater NYC area who champion Westhab's mission and work. We ask Junior Board members to donate their time, talent, and treasure through attending and participating in meetings; collaborating on fundraising and networking events; contributing ideas and expertise; and connecting their networks to Westhab.

MISSION WHAT WE DO

- Build understanding and support of Westhab's work and impact through discussion with key members of Westhab's leadership team.
- Organize an annual Cocktail Event + other fundraising activities to raise critical funds for key Westhab initiatives.
- Volunteer! Junior Board Members will hear about volunteer needs across Westhab's diverse portfolio of programs.

Member Benefits

Networking

The Junior Board will broaden your personal and professional network. Collaborate with like-minded and motivated peers who are passionate about creating a more equitable world.

Education

For young professionals, this is an opportunity to learn about nonprofit Board service. Meet and discuss timely topics related to Westhab's programs, services, operations, and finances.

Giving Back

Raise critical funds to support homeless services, youth and employment programming, and affordable housing initiatives. Volunteer at program sites to see the impact of your support first-hand.
